

# THE SECRET GARDEN

Our Secret Garden is an intimate, private-event space set on a working farm in the heart of the Winelands. Hosted by Ivan and Kelly, you'll experience warm South African hospitality, their charming animal family, and a truly personal setting away from the crowds. Kelly cooks like she's feeding an army—so there's never a shortage of incredible food—while Ivan's charm keeps the atmosphere relaxed and unforgettable. Expect a fully tailored South African menu and an authentic farm-style celebration with soul, flavour, and magic.
